

## Plugin Elementor installieren:

### 1. Schritt: links auf Plugins

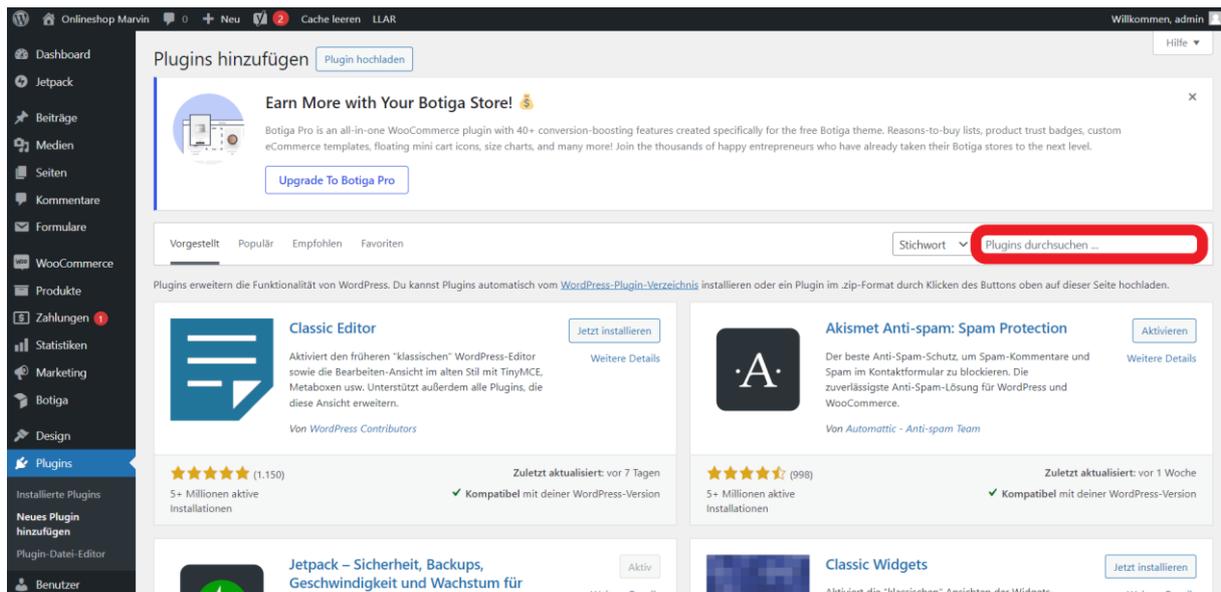

The screenshot shows the WordPress dashboard interface. On the left sidebar, the 'Plugins' menu item is highlighted with a red box. The main content area displays a Jetpack introduction banner with a 'Jetpack einrichten' button. Below the banner, there is a 'Plugins' section with a 'Neues Plugin hinzufügen' button. A notification banner for 'WP-Super-Cache' is visible, and a 'Botiga Pro' advertisement is also present. The bottom of the page shows the URL 'https://marvin.e-commerce-uebungsplattform.de/wp-admin/plugins.php' and the text 'Beschreibung' and 'Automatische Aktualisierungen'.

### 2. Schritt: auf „Neues Plugin hinzufügen“ klicken

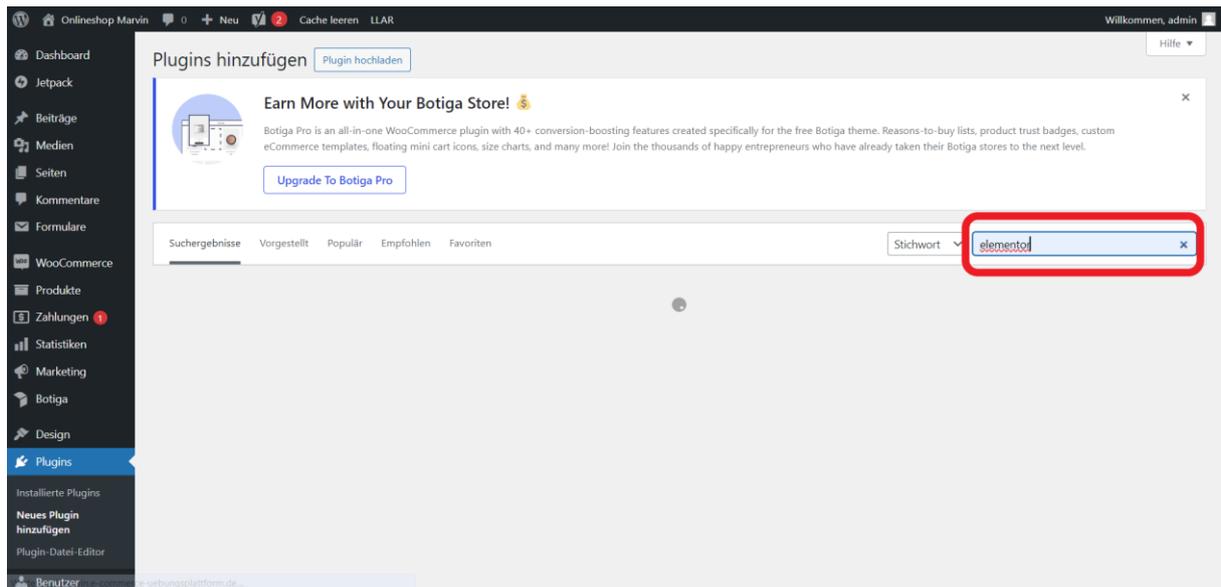

The screenshot shows the WordPress dashboard interface. The 'Plugins' menu item in the left sidebar is highlighted with a blue bar. In the main content area, the 'Plugins' section is visible, and the 'Neues Plugin hinzufügen' button is highlighted with a red box. The Jetpack introduction banner is still present at the top. The bottom of the page shows the URL 'https://marvin.e-commerce-uebungsplattform.de/wp-admin/plugins.php' and the text 'Beschreibung' and 'Automatische Aktualisierungen'.

### 3. Schritt: Plugins durchsuchen

### 4. Schritt: „elementor“ eintippen

## 5. Schritt: auf „Jetzt installieren“ klicken

The screenshot shows the WordPress admin interface for the 'Plugins hinzufügen' (Add Plugins) section. The search term 'elementor' is entered in the search bar. The results are filtered to show 1,036 entries. The first result is 'Elementor Webseiten-Baukasten – Mehr als nur ein Seiten-Baukasten' by Elementor.com. This plugin is highlighted with a red box around the 'Jetzt installieren' (Install Now) button. Other visible plugins include 'Royal Elementor Addons and Templates' by WP Royal, 'Premium Addons for Elementor', and 'Essential Addons for Elementor' by WP Developer. The interface includes a sidebar with navigation options like Dashboard, Jetpack, Beiträge, Medien, Seiten, Kommentare, Formulare, WooCommer, Produkte, Zahlungen, Statistiken, Marketing, Botiga, Design, and Plugins.

## 6. Schritt: auf „Aktivieren“ klicken, um das Elementor-Plugin zu aktivieren

The screenshot shows the same WordPress admin interface as in the previous step, but the 'Jetzt installieren' button for 'Elementor Webseiten-Baukasten' has been replaced by an 'Aktivieren' (Activate) button, which is highlighted with a red box. This indicates that the plugin has been successfully installed and is ready to be activated. The search results and other plugin cards remain the same. The URL at the bottom of the browser window is 'https://marvin.e-commerce-uebungsplattform.de/wp-admin/plugins.php?\_wpnonce=4a1e10...'. The sidebar and navigation menu are consistent with the previous screenshot.
